## From the Superintendent's desk...

"You can't be common, the common person goes nowhere; you have to be uncommon." - Herb Brooks, 1980 US Hockey Coach

As I look toward the start of the 2022-2023 school year, I can't help but think how proud I am to be a Jhawk.

The past school year was filled, as always, with challenges that pushed each and everyone one of us in directions we didn't think were possible. As I have learned, however, from being in this community for the past four years, Joliet is not defined by these challenges, but rather the ability to overcome adversity. Our community showed the resilience that defines our spirit time and time again. A big thank you is owed to our community for their continued support of kids here in Joliet.

As my time as the elementary principal comes to an end, I am grateful to the students, staff, and community members who helped shape me into the educator I am today. I couldn't be happier to have the community's trust and support as I make the transition into the role as Superintendent. I am even happier to report that the District has done an incredible job in selecting Mandi Hernandez and Theresa Keel to take over 6-12 and K1-5 principal responsibilities respectively.

As superintendent, I will work to bring together a wide variety of opinions, listen, ensure voices are valued, build consensus, and help the District fulfill its vision to create an exemplary learning environment for students. Towards this end, I am happy to meet with community members to hear input regarding the direction of the District. I have an open door policy, please stop by.

Our grit role models for the 2022-2023 school year will be the 1980 United States Men's Hockey Team, who, against all odds, managed to defeat the world's greatest players and teams, to win the gold medal that year in Lake Placid. Most know the event as 'A Miracle,' however, it was hard work, building a team, and a choice to be different that made 'The Miracle' happen. In coach Herb Brooks' words, "You can't be common, the common person goes nowhere; you have to be uncommon."

I look forward to a great year of the uncommon!

-Be Great! - Clark Begger, JPS Superintendent

## From the 6-12th Principal...

Hello and happy summer! I hope you are all enjoying a nice vacation, family time, and some summer adventures. I'm very excited to begin as the 6th-12th grade principal and looking forward to a new and exciting year full of growth and enriching activities! Joliet School has enjoyed success in academics, activities, and other student endeavors. Strong parental and community support enhances the quality of education at our school. Please don't hesitate to reach out and be involved in your children's experiences at Joliet School. I encourage you to read the newsletter and keep the enclosed calendar for future reference to assist you with school dates and activities.

Registration for juniors and seniors will be Tuesday, August 9th, and freshmen/sophomores will be Wednesday, August 10th. Information packets were mailed to all high school students with class and time details. In regards to middle school, the district will handle all scheduling for your student(s) before the beginning of the 2022-2023 school year. 6th and 7th grade students will be enrolled in math, science, English, social studies, PE/Health, Art/JMG (Jobs for Montana Graduates), and the choice of either band, choir, and/or study hall. 8th graders will be enrolled in math, science, English, social studies, PE/Health, Art/JMG, and Ag Ed/Media Arts. Please talk with your child regarding their choice of either band, choir, or study hall. Band runs on Monday, Wednesday, and Friday. Choir runs on Tuesday and Thursday. Students may elect band and/or choir. Students electing only band or choir will be enrolled in a study hall during off days. Students will be asked to communicate their choice to their first period teacher on the first day of school.

Please feel free to call, stop in, or email with any questions or concerns. I hope you will become an active part of the school community and enjoy our students and their endeavors. We look forward to being a partner in the lives and education of your children!

- Sincerely, Mandi Hernandez, 6-12th Principal

## From the K1-5th Principal...

Good Day JHawk Community!

I am very excited to begin as the new K1-5 Elementary Principal in Joliet! For those who are unfamiliar with my story, I have been in Education for 34 years, 19 in administration. I am a retired administrator from Texas, and my husband, George, and I moved to Laurel to be close to my parents and one of my siblings and her family. I have spent the last three years as the Superintendent of a K-8 school in Gallatin Gateway, and while it was an interesting three years due to Covid, it was an amazing experience! My husband and I have been maintaining two residences during those three years, and within the last year, my father-in-law has moved in with us in our Laurel home. I needed to take the advice that I give all of our staff – if you do not take care of yourself and your family first, then you can not provide the caring environment it takes to educate children. It was time for me to come home full time, so I sought a position in Joliet.

I applied in Joliet, because I prefer rural schools, their communities, and their values. We are also residents in the Joliet High School District. I feel very blessed to have been chosen to take this position and lead what seems to be an incredible group of educators. I believe in servant leadership, both for myself, and for all members of the school community. In practice, that means that I work tirelessly to provide a learning environment that fits every student's individual differences, and I expect no less from those around me.

I encourage you to email me any concerns or questions you may have, prior to the start of the school year, as I will be in and out of the office and busy getting myself acclimated to the "JHawk Way." After the year starts, I encourage phone calls, emails, and scheduled visits.

I look forward to getting to know all of our kids and parents as we all work as a team to grow as responsible citizens, lifelong learners, and independent thinkers, who effectively navigate the future!

I look forward to meeting each of you!

- Theresa Keel, K1-5th Principal

## Academic Achievement - Testing

We do a variety of testing throughout the year at Joliet School. These include MAP (Measures of Academic Progress), SBAC (Smarter Balanced Assessment Consortium), ACT (American College Testing), PSAT (Preliminary Scholastic Aptitude Test), and ASVAB (Armed Services Vocational Aptitude Battery).

In this newsletter, we've included a glimpse of the spring 2022 results for schoolwide math and reading. Kindergarten through 11th grade does MAPs reading testing, Kindergarten through 5th grade does iReady math testing, 6th-11th grade does MAPs math testing. For more information, please visit [gojhawks.com](http://gojhawks.com) under the 'Parent Resources' menu. More detailed information on grade level and subject area testing data is available there. If you would like specific information pertaining to your child's results, please contact the school.

Joliet J-Hawk Parents and Supporters,

The JHS Booster Club is a volunteer organization of J-Hawk supporters that has a proud tradition of providing financial assistance for student activities through our membership drives and fund-raising efforts. The JHS Booster Club is unique in that it not only supports the school's athletic teams, but all student-oriented clubs, organizations, and extra-curricular activities.

The Booster Club supports the academic, activity, and athletic programs at the high school. These include, but are not limited to, Band, FFA, Pep, Cheer and all of the Clubs and Sports Programs at Joliet Public Schools. If your child is in any of these programs, we would like you to support them by joining the Booster Club.

Some of the ways we support the programs, activities and clubs is by giving financial assistance for travel or gear, making lunches for traveling teams, buying meals for teams traveling to tournaments, student scholarships, etc.

With your membership we will be able to continue to do the things we have previously done and hopefully add in a few new ways to support the students this year. Please fill out the information below and mail back to the address above. Each Century Club, Family/Couple, and Senior Couple membership comes with a choice of two t-shirts or one t-shirt and one hat. I understand that if my child misses class for one of these activities, he/she is responsible for the material missed, and may not use participation in the activity as an excuse not to turn in an assignment when due. I give my permission for the trainer, coach, and qualified (First Aid Certified) school personnel to apply first aid treatment until the family doctor can be contacted. I give my consent for athletic trainers to evaluate & provide ongoing treatment and assessment for sports injuries.*
